

Prof. Dr. Peter F. Stadler

Curriculum vitae

Name: Prof. Dr. Peter F. Stadler
Address: Leipzig University
Department of Computer Science,
Bioinformatics,
Härtelstraße 16-18
04107 Leipzig, Germany
Date of Birth: December 24, 1965
Nationality: Austrian
 ORCID: 0000-0002-5016-5191

Education and Scientific Career

1984 – 1990 Studies at the University of Vienna:
Undergraduate degrees (1. Diplom) in Chemistry 1986,
Astronomy 1988, Physics 1989, Mathematics 1990
MSc in Chemistry 1988

1988 - 1990 Dissertation at the Institute for Theoretical Chemistry
University of Vienna, Austria (PhD in Chemistry)

1990 - 1991 Postdoc at the Department for Biochemical Kinetics, Max Planck
Institute for Bio-Physical Chemistry, Göttingen, Germany

1991 - 1994 Universitätsassistent at the Institute for Theoretical Chemistry and
Radiation Chemistry, University of Vienna, Austria

1997 - 2002 Ausserordentlicher Universitätsprofessor, University of Vienna,
Austria

Since September 2002 Full Professor of Bioinformatics, University Leipzig, Germany

Since March 2009 External Scientific Member of the Max Planck Society, affiliated with
the MPI "Mathematics in the Sciences" in Leipzig, Germany

Habilitation

1994 Habilitation: Venia Legendi for Theoretical Chemistry, University of
Vienna, Austria

Honors and Awards

- Member of the External Faculty of the Santa Fe Institute, New Mexico, 1994-2003, and since 2004.
- Corresponding member of the Austrian Academy of Sciences since 2010.
- Professor honorario, National University of Colombia, Bogota since 2019.
- Novartis-Award for Chemistry (Austria) 2002
- Otto-Hahn Medal of the Max Planck Society 1992
- Co-editor-in-chief:
 - Algorithms for Molecular Biology
 - Theory in Biosciences
- Editor:
 - RNA (responsible for bioinformatics/computational biology)
- Member of the Editorial Board:
Advances in Complex Systems, BMC Bioinformatics, BMC Evolutionary Biology, Journal of
Bioinformatics and Computational Biology, Journal of Systems Chemistry, LIFE, Mathematics in
Computer Science
- International Advisory Board, HGNC Nomenclature Consortium
- Member of the Board of the Interdisziplinäres Zentrum für Bioinformatik (IZBI), Leipzig, since 2002.
- Member of the Board of the Chemisch Physikalische Gesellschaft in Wien, elected for the periods
2000/2001 and 2001/2002.
